The Idaho-Nevada Scheme Falls Through.

SERIOUS TROUBLE IN HAVANA.

Through the Whirlpool Rapids—Arrested for Arson—The Recruiting Service—A Fruitless Demand.

A Flattened Farce.

SAN FRANCISCO, August 29.—In the application of the Pacific Railroad Commission to compel Senator Stanford and other officers of the Central Pacific Railroad to answer certain questions in regard to the expenditure of funds for the purpose of influencing legislation, Justice Field, of the United States Supreme Court, delivered to-day the opinion of the United States Circuit Court to the effect that the act of Congress creating the commission improperly invades the co-operation of courts in an inquiry that is not judicial. The opinion is backed by the decisions and opinions of Story, Marshall and Toubry, upon the limitations of Congressional authority, and in effect voids that part of the act referring to courts as unconstitutional. The court, therefore, declines to make the order compelling officers to answer questions, and also declines to make the order giving the commission access to the books of various construction companies.

Trouble in Havana.

HAVANA, August 29.—Great excitement prevails here on account of the recent acts of Captain General Martin, in taking possession of the custom house and placing officials under arrest. The city is in charge of regular troops, and the situation is becoming more desperate, recalling the events attending the massacre of medical students in 1871. A reign of terror prevails, and it is expected that Havana will be declared in a state of siege. Already several conflicts have occurred between the troops and civilians, resulting in the killing of some and wounding of others. Captain General Martin has issued a proclamation calling on the rioters to maintain order, otherwise severe measures will be adopted to uphold the law. A general uprising is now imminent. The city is placarded with a call for a general mass meeting at the park, to-night, requesting all to bring arms. So far the captain-general controls the situation. The artillery has been placed in a commanding position, while troops, stationed in towns adjoining the city, are kept under arms, ready to move at a moment's notice. The Queen's regiment is under arms at the Cabanas and Castillo del Principe.

Successful Trip.

BUFFALO, August 28.—Charles Alexander Percy, of Suspension Bridge, a young man 27 years old, made a safe trip through the whirlpool rapids to day in a life boat, built by himself during the past summer. The boat is about seventeen feet long, with air chambers at either end, in one of which Percy made the voyage. The keel was weighted with 240 pounds of iron and bags of sand carried in the hold so it will right itself. An iron weight attached to a long rope trailed from the stern, so as to keep the boat straight ahead. Though it keeled in a threatening way, the craft rode the breakers without once upsetting.

Idaho Annexation Scheme.

SHOSHONE, I. T., August 29.—Senator Hearst, with Governor Stevenson and Delegate Dubois, recently held a conference here, regarding the proposed enlargement of the boundaries of Idaho with reference to Statehood, which Idaho expects soon to demand with the other Territories. Senator Stewart's move to annex Nevada to Idaho, entirely collapsed at the conference. It was suggested that the Idaho line be extended northward through Montana, so as to take in the counties of Beaverhead and Missoula.

A Fruitless Demand.

NEW YORK, August 29.—Typographical Union No. 6 held a meeting to-day, and discussed the practicability of demanding fifty cents per 1,000 ems for setting type, besides fifty cents an hour extra for work after 2 a.m. The general sentiment was in favor of demanding the advance.

Troop Movements.

WASHINGTON, August 29.—The superintendent of the recruiting service has been ordered to send thirty recruits to the Twelfth Infantry in Minnesota and fifteen colored cavalry recruits to the Tenth Cavalry in Arizona.

What Next?

PLAINFIELD, N. J., August 28.—Eight men, all members of No. Engine Company, were arrested to-day on the charge of arson. One of them confessed that they had set fire to a number of places by using kerosene.
